

# BRIDES NOIR

FLORAL DESIGNS BY BOTANICALS

## WINTER

Whether you plan to get married in the winter or host a winter wedding, there's no denying the beauty of this season. Incorporate the coziness of your winter holiday celebration into the theme, using ornaments as favors, or using evergreens as part of the decorations. And don't forget the twinkling lights or candles, a perfect way to personalize the atmosphere of the event.

The glowing orb is a perfect centerpiece for a winter wedding. The orb is made of a clear material and is filled with a warm, golden light. It is a perfect centerpiece for a winter wedding.

## AUTUMN

Combine together the rich colors and textures of fall. Use flowers in deep reds, oranges, yellows, and browns. Instead of white, use a warm, golden color for the bride's dress. The subtle glow of candles keeps the look warm and welcoming.

## SUMMER

The days of summer are the perfect time to celebrate the season in the home. There's nothing more relaxing than sitting on a porch, enjoying the view, and listening to the birds. Fresh fruit, paper lanterns, and warm, glowing lights are perfect for the season.
