

BRIDESNOIR®

ON THE GREENS

FOR A PARED-DOWN COLOR SCHEME, TOP your tables with a nature-inspired palette of green. A stunning centerpiece featuring flowers in gorgeous shades of green and white. This creative arrangement is highlighted with a lush collection of chartreuse viburnum, white ranunculus, and green variegated pittosporum. The arrangement is uniquely wrapped in green snake grass, which is also banded with a bit of bear grass to complete this one-of-a-kind look. Frosted votive candles enhance this design with a soft, cascading light.

This dramatic and romantic topiary centerpiece is created exclusively with chartreuse viburnum. Halved fresh limes are stacked around the base of the arrangement, which is displayed in an elegant silver ginger jar, creating visual sophistication and grace.

Distinctly highlighted with stunning and vibrant chartreuse dendrobium orchids, this imaginative cabaret de-

sign makes a striking statement on any table. Stems of green snake grass rise out of the center of these bright and beautiful flowers while the bottom arrangement is created with a collection of lush and exotic anthurium flowers and japonica leaves. To complete this dramatic, eye-catching design, individual dendrobium blossoms are loosely scattered around the base of the arrangement, and votive candles create a stylish and tasteful glow.

A unique and vibrant tabletop arrangement created with flowers in beautiful shades of chartreuse. This centerpiece is composed of a collection of cymbidium orchids, green Kermit poms, helioboris, and variegated pittosporum. This arrangement is featured in a whimsical vase clad in celery stalks of the same color palette. The design is finished with a satin, sage ribbon band and is surrounded by frosted votive candles to cast a warm, ambient light on the table. **Designs courtesy of Botanicals.** 🌿
