Weddings are, by nature, a splurge. As for flowers, one or two large, amazing, ingenious, clever pieces will put your personal stamp on the space.

THE elegant bride LIST

Who are the most creative florists in America? We looked at the work of hundreds of flower designers in every corner of the United States, searching for those talented artists with an inspired point of view. We scanned Web sites, and then asked for more photos. We considered every detail of a wedding from winsome bouquets to sophisticated table arrangements, flower-girl wreaths and whimsical boutonnières. Here, with a bonanza of clever tips, is our A-list of florists who have the expertise and imagination to translate your dream reception into dazzling reality. For more great tips and images, go to ElegantBride.com/list.
